## FOR IMMEDIATE RELEASE

### **Mobil Fund Inc. appoints Bernie Nicholls as Eastern Director of Business Development and Morris Lukowich as Central Director of Business Development**

CALGARY, ALBERTA. March 3, 2022— Mobil Fund Inc. is pleased to announce the appointment of two accomplished sports veterans, Bernie Nicholls and Morris Lukowich, as Eastern and Central Directors of Business Development respectively. In their new roles, Nicholls and Lukowich will focus on leveraging their extensive networks in the sports industry and deep charitable ties to develop new business opportunities and foster community engagement across their respective regions.

Nicholls is a retired professional ice hockey player, who played for the Los Angeles Kings, New York Rangers, and other teams over a 20-year career. He is one of only eight players in NHL history to score 70 goals in one season, and one of five to score 150 points. He was also an assistant coach with the Los Angeles Kings. With his strong ties to the NHL and its players, Nicholls has been a passionate supporter of various charitable causes including the Canadian Cancer Society, SickKids Foundation, and the Special Olympics. The foundation that bears his name, The Bernie Nicholls Foundation, dedicates their time and efforts to find ways to assist families who are faced with difficult challenges and the charities that support them.

Lukowich, a former WHA/NHL player, played professional hockey from 1976-87 for the WHA Houston Aeros, Winnipeg Jets, Boston Bruins and Los Angeles Kings. Lukowich has also been an avid and active supporter of various charities including Ronald McDonald House, the Impact Society, Potential Place, and the Schizophrenia Society of Alberta.

"Mobil Fund Inc. is thrilled to have Bernie Nicholls and Morris Lukowich join our team," said John Williams, CEO of Mobil Fund Inc. "With their wealth of experience in the sports industry and their commitment to charitable work, Bernie and Morris will be instrumental in helping us develop new business opportunities and strengthen our community partnerships across Canada."

"I am excited to join Mobil Fund Inc. and use my experience and network to help the company grow," said Nicholls. "I look forward to working with the team to create meaningful partnerships and make a positive impact in the communities we serve."

"I am thrilled to be joining Mobil Fund Inc. and am committed to helping the company achieve its goals while supporting the charitable causes that are so important to us," said Lukowich.

About Mobil Fund Inc.

Mobil Fund Inc. is a Calgary, Alberta-based SaaS corporation whose mission is to benefit all stakeholders massively in the name of "Gaming for Good". The company has developed the first of its kind SMS based raffle

platform that will provide Charities, Not for Profits and other appropriate organizations of all sizes with the fastest, easiest, least expensive means to fundraise. Its disruptive technology is as easy as "Pay, Play, Hooray"!
