FOR IMMEDIATE RELEASE

Emmett Dunlap Jr., Tim Madura, and Brennan Wilton Join Mobil Fund Inc. to Launch SMS-Based Raffle Technology to Benefit Charities Across North America

CALGARY, ALBERTA. July 1, 2022— Mobil Fund Inc., a SaaS provider of a first of its kind SMS based raffle solution for charities and other qualified parties, is excited to announce the addition of Emmett Dunlap Jr., Tim Madura, and Brennan Wilton to its management team. Dunlap Jr., Madura, and Wilton bring years of experience to the table and a passion for giving back to the community. Together, they will help launch Mobil Fund Inc.'s SMS-based raffle technology to benefit organizations of all sizes across North America.

As the Western Director of Business Development, Emmett will lead the charge in introducing Mobil Fund Inc.'s innovative SMS-based raffle technology to organizations across North America. Dunlap Jr. will be joined by Tim Madura and Brennan Wilton, who will be responsible for facilitating the onboarding of customers to this technology and providing support to partner organizations.

"Mobil Fund Inc. is committed to making a positive impact in the community and we believe that our SMS-based raffle technology can make a real difference for organizations of all sizes," said John Williams, CEO of Mobil Fund Inc. "We are thrilled to have Emmett, Tim, and Brennan on board to help us launch this exciting initiative and make a difference in the lives of all stakeholders"

The SMS-based raffle technology allows charities to conduct raffles using SMS messaging, making it cost effective, easy, and convenient for participants on both sides of the equation. The technology also provides participants with valuable data and analytics that can be used to improve further fundraising efforts.

"I am excited to join the Mobil Fund Inc. team and work with organizations across North America to help them achieve their goals," said Dunlap Jr.. "Our SMS-based raffle technology is a game-changer, and I look forward to helping them take advantage of this powerful tool."
